

Universal Filtration J-Spout

Resilient stainless steel

Constructed of stainless steel, the Universal filtration faucets are durable, lead-free, and easy to maintain. Proportionately sized and styled to match any faucet in the Franke faucet portfolio.

Full-service suite

Point of use faucets deliver filtered water at the right temperature where and when you need it. Choose a Cold only option to pair with a Franke chiller, or select the Hot only or Hot/Cold faucet to pair with a Franke heating tank.

Wellness at Home

Franke four-stage filters combine multiple technologies to remove contaminants in the water and deliver up to 600 gallons of fresh drinking water straight from the filtration faucet. Instantly rinse, prep and cook with the pure, great tasting water.
